HOUSE LIFT

A **Development Permit** (zoning review) is **required** for the lifting or repairing of any storm damaged dwelling.

All Development Permit Applications for storm damaged dwellings will be moved to the top of the list for review.

For Zoning Approval for Storm Damaged Dwellings:

A zoning fee **will not** be required where an Applicant is lifting a home or reconstructing on the same footprint.

A \$500 escrow shall be posted for inspection of the grading improvements as required by the Office of the Borough Engineer.

Submit four copies of the completed Application for Development Permit, including **notarized** Authorization and three copies of the following:

- A grading plan showing existing and proposed grading
- Foundation plan
- Architectural plans
- Elevation Certificate

Any proposed development beyond the existing footprint will be required to follow the normal application process.

Fees as shown on the Checklist for Development Permit Application are required where additional development is proposed (additions, decks, etc.).

After Zoning Approval:

You must obtain a Building Permit from the Construction Official's Office.

Note: Little Silver's Construction services are shared with the Borough of Rumson
80 East River Road Rumson, New Jersey 732-842-3022

Final Inspection is **required** by the Building Inspector upon completion of installation. To schedule a Final Inspection, please call 732-842-3022. **Failure to schedule an inspection may result in Enforcement Action**

Zoning Officer

- FEMA has provided new base flood elevations for flood hazard areas. Any development including but not limited to air conditioning condensers, generators, electrical service, HVAC, etc. shall be constructed above the new base flood elevation. Failure to comply with this may affect your National Flood Insurance Program (NFIP) insurance rates. It is recommended you check with your Insurance Agent to confirm the actual impact of your improvement on your flood insurance rate.
- All house lifts, new additions, new construction shall be constructed and elevated based on the Special Flood Hazard Area (SFHA) that the structure foundation is built within the finished floor elevation shall be designed per the Borough of Little Silver Flood Plain Ordinance.
- No building, structure, improvement and/or development which increases the footprint of any existing structure or building or which enlarges the ground area of development currently existing on the subject property or which is new development shall be permitted in the Coastal Flood Zone.
